This year's Tenants' Day: Celebrating Communities has been put together by the residents' social committee and the staff team at Redland. We are offering a fun day for tenants packed with useful information, and ideas for making your communities and neighbourhoods happier and stronger. It's a great opportunity to get to know Redland's staff in an informal way, and to meet other residents, and people from agencies who provide services to the public.

At the seaside setting of Weston-super-Mare, the main event will take place in the Ballroom of Winter Gardens Pavilion. The event is free and we try to make it as easy as possible for you to attend by offering free community transport, refreshments and lunch. There will be a variety of activities for children and young people between the ages of four and 14 years, to be confirmed when we issue tickets.

We are offering a choice of workshops and ask you to choose in advance which workshops you want to attend, so that we can make arrangements for the smooth running of the day. Please make your choices on your booking form.

Workshop A - Laughter clinic

Joe Hoare brings us this stress-busting, upbeat and energising session that will stimulate enthusiasm and wellbeing. Joe has been running groups for over 25 years, and his work specialises in creating upbeat, positive and engaging communication.

Workshop B – Making it happen

This workshop will showcase what local community groups have been able to achieve in creating community spaces by working together, and will share how they got there and how you could do it too!

Workshop C – Mediation skills for life

Colin Gould from Mediation Somerset brings us this interactive and motivating workshop, demonstrating how to use mediation skills and techniques in every day life.

Workshop D – Redland and communities

Find out how Redland supports communities, and how you and your neighbours can get access to support and funding to improve your neighbourhood.

Book your place by 31st July:

Simply fill in the form, fold it in half, seal with sticky tape and put it in a post box.
