

To support successful communities, through the provision of housing, other quality services, and enhanced partnerships.

To deliver a high quality housing service, providing homes people can afford. We will look to meet the needs of present and future generations and will put people first in everything we do.

Our mission is to reduce homelessness and help people unlock their potential by offering excellent training, support and accommodation services.

Our vision is to provide good quality, secure and affordable homes for those with housing need, supported by a high and improving standard of customer service.

Somer Housing Group's visions and values

The Group is committed to the following values:

We pride ourselves on our **accountability**, striving for excellence in services to our **customers** and maximising the positive impacts of their **involvement** in what we do.

We aim to **improve continuously** in what we do, focusing on what we can **achieve** together through effective partnerships and **team work** to make a difference for residents and their neighbourhoods.

Our people are **adaptable** and **committed** and we aim to give them the **recognition** they deserve, enabling them to feel **fulfilled** in their work and their lives.
