## **An Introduction to Sheltered Housing**

The aim of sheltered housing is to provide accommodation suitable for older and/or disabled people and support them to live as independently and comfortably in their own homes for as long as possible.

The Trust has 63 sheltered housing schemes in Bath and North East Somerset. They are all served by a Sheltered Housing Officer trained to provide a quality support service to residents. These schemes range from clusters of individual properties to larger developments of flats and bungalows with communal facilities, such as community rooms, laundries and guest rooms. We also have schemes where all the flats are under one roof. All of our accommodation is self-contained.

Pets are permitted although there may be some restrictions on cats and dogs in enclosed schemes. Residents are responsible for their pet's behaviour in and around the scheme and for any damage or nuisance it may cause.

Where there is a community room, residents organise regular and varied social activities for everyone to join in if they wish. Where a scheme has a guest bedroom, priority for use is given to the family or close friends of residents who are ill and need support. We provide pillows and duvets, but residents should supply their own sheets, pillow cases and towels for the use of their guest. Bedding is available in an emergency but must be laundered and returned to the Sheltered Housing Officer after use. Charges are £8.00\* for two people and £5.00\* for one person per night, payable by cheque.

All of our sheltered homes are fitted with a speech alarm system, with pull cords connected to Invicta Lifeline's control centre (Invicta) which provides 24-hour cover every day. Residents may also have pendants and can call for help at the press of a button.
